LAUNCH FORUM AGENDA

Objectives

- Develop a shared understanding of the goals and design of the LSL project
- Discuss the evidence base for key strategies and culture change
- Create a learning community, building connections across hospitals
- Prepare for the first round of in-hospital workshops

By the end of the meeting, participants will be able to:

- Understand the LSL intervention
- Reflect on their own leadership roles in improving AMI care
- Align values and artifacts of organizational culture
- Describe the five strategies for reducing AMI mortality
- Create a team in their hospital to tailor the evidence to their own contexts

WEDNESDAY JUNE 25: Setting the Stage - Dinner and Opening

5:00 – 6:00  Arrival, registration, hors d’oeuvres

6:00 – 8:00  Welcome and call to action

Zahirah McNatt, MHSA
Leslie Curry, PhD, MPH
Clive Meanwell, MBChB, MD, PhD
Harlan Krumholz, MD, SM
Elizabeth Bradley, PhD, MBA
Victor Montori, MD

This session will kickoff the LSL experience with perspectives from members of the study team. We welcome participating hospitals by describing the partnership, exploring key concepts in leadership, and outlining the design of the LSL study.

8:00  Dinner
THURSDAY JUNE 26: Building Our Own Capacity

7:45 – 8:30  Breakfast

8:30 – 9:30  Building a learning community
             Erika Linnander

9:30 – 11:30  Who are we?
              Elizabeth Bradley and Zahirah McNatt
              Hospital teams will reflect on their own organizational culture,
              providing a starting point for a better understanding of their own
              contexts and more effective tailoring of the intervention to their
              environments.

11:30 – 11:45  Break

11:45 – 12:15  What is the evidence base?
                Leslie Curry
                This presentation will highlight the evidence that informs the 5
                recommended strategies for reducing mortality and related aspects
                of organizational culture.

12:15 – 1:00  Lunch

1:00 – 5:00  Strategy breakout sessions
             For the remainder of the afternoon, we will form cross-hospital
             learning groups that will rotate through each strategy to discuss,
             question, and share their own successes and anticipated obstacles
             to making change.
             1:00 – 1:50  Rotation 1
             1:55 – 2:35  Rotation 2
             2:40 – 3:20  Rotation 3
             3:25 – 4:05  Rotation 4
             4:10 – 4:50  Rotation 5

5:00 – 5:30  Debrief and closing
             Erika Linnander

Participants will have the evening on their own.
FRIDAY JUNE 27: Engaging our Hospitals - Preparing to Return Home

7:45 – 8:30  
Breakfast

8:30 – 9:30  
Getting the right people on the bus
Elizabeth Bradley
In this session, hospital teams will plan for the creation of a guiding coalition of members of the AMI care team at each hospital, identifying prospective members and mapping steps toward the successful engagement of the coalition. These coalition members will be the participants for in-hospital workshops, surveys, and key informant interviews.

9:30 – 10:00  
Identifying peer network hospitals
Erika Linnander
This session will guide hospital teams through the process of identifying hospitals with which they share information on improving care for patients with AMI.

10:00 – 10:30  
Expectations for baseline assessment and hospital workshops
Erika Linnander
This session will describe what hospitals should expect over the next month as they prepare for their first in-hospital workshop.

10:30 – 10:45  
Break

10:45 – 11:15  
Remote support and learning across hospitals
Zahirah McNatt
This session will provide an orientation to the online platform that will connect the learning community between workshops.

11:15 – 12:00  
Reflections and closing
Erika Linnander and Leslie Curry

Participants are welcome to stay for lunch or pick up a boxed lunch before departure.

3:00 – 4:30 PM  Breakout Session #2: Innovation roundtables  
(3rd floor meeting rooms)  
In these sessions, we will explore some of the processes that various coalitions have prioritized for improvement during the first year of LSL. Come with your new tools and approaches, success stories, and questions for troubleshooting.

- Defining and measuring mortality - Erika Linnander  
- Promoting EMS engagement - Leslie Curry  
- Improving connections with critical access/transferring hospitals - Martha Dale  
- Strengthening discharge processes - Heather Fosburgh  
- Promoting pharmacist engagement - Zahirah McNatt

4:30 – 5:00 PM  Debrief, STAR Voting, Closing  
Erika Linnander  
We will close the day by reflecting on shared experiences and voting for the STAR award. This award is for the hospital that best exemplified commitment to improvements in outcomes for patients with AMI, as well as a collaborative spirit in sharing approaches and ideas across the LSL learning community.

5:15 – 7:00 PM  Mixed methods mixer: What’s so unique about LSL?  
(Relish Bistro)

You will have the evening free for dinner on your own.
Shuttle buses will depart from the lobby at 7PM and 7:30PM to downtown Scottsdale if you would like to get off of the resort property. You will need to arrange for a taxi or other transportation for your return to the hotel.
